

About Graduation Ceremony

March 18, 2011

Graduate School of Information Science and Technology

To the Students Graduating in March, 2011:

Due to the Tohoku Region and Pacific Offshore Earthquake, the University Graduation Ceremony will be held on March 24 (Thursday) with very limited attendance, one representative student from each school. Unfortunately, other students and parents of students cannot attend the ceremony

As for the Department Graduate Ceremony in the departments of the Graduate School of Information Science and Technology, refer to the following table. As there are still strong aftershocks and transportation is irregular due to blackout, it is recommended to refrain from coming to the campus by taking a risk.

Computer Science	Date and Time: March 24 (Thursday), 11:00-11:45 Place: Room 214, Faculty of Science Building #7 • Only students who may come to the campus safely without any troubles can attend the ceremony. • Students who cannot attend the ceremony can receive the diploma, etc. at the department office until March 31 (Thursday). • Students who cannot come to the office within the specified period are advised to consult the office.
Mathematical Informatics	Department Graduate Ceremony is not held. • Students can receive the diploma on and after March 24 (Thursday) at each department office (the period depends on each department). • Students who cannot come to the office within the specified period are advised to consult the office.
