Changes in AY2021 Summer Entrance Examination (Department of Computer Science)

- All the changes announced by the Graduate School are applied. Refer to "Changes in AY2021 Summer Entrance Examination" at the "Admissions" homepage of the Graduate School of Information Science and Technology, The University of Tokyo.
- Refer to "2021 Guidelines for Submission of TOEFL Scores, Graduate School of Information Science and Technology, The University of Tokyo" at the abovementioned homepage for the procedure to submit your TOEFL score. You do not need to submit "TOEFL Score Submission Form" mentioned in the "Required Documents" in the Entrance Examination Guide of the Department of Computer Science.
- We hold a briefing session of the online examinations of the Department of Computer Science.
  - The briefing session takes place twice online, using Zoom.
    - July 25 (Sat) 14:00-16:00
    - July 29 (Wed) 14:00-16:00
  - All master program applicants who pass document screening and all doctoral program applicants (except those exempted from oral examinations of the doctoral program) must attend either of them. Please notify the department by the application deadline if you cannot attend either of them for an unavoidable reason.
  - Announcement of the briefing will be emailed by July 21. Please notify the department by July 24 if you do not receive the announcement by July 21.
  - Please also prepare the necessary place, equipment, and software listed below, by the briefing because a trial of the examinations is conducted at the briefing session.
    - Place to take written/oral exams where others do not come in.
    - PC with a camera and a microphone.
    - The latest version of Zoom
    - Digital camera (which can take a readable, clear photo of A4 answer sheets).
      - Cameras on smartphones or PCs are acceptable.
      - Scanners are acceptable.
    - Internet connection (sufficient for sending live video and audio using Zoom).
    - Answer sheets (10 pages of A4 blank paper) and writing tools.
- Master Program
  - Written Examinations: conducted on Zoom (Including trial, lunch break, and break/spare time).
    - August 17 (Mon) 10:00-17:00 Specialized Subjects
  - Oral Examinations: conducted on Zoom. An interview about specialized subjects and prospective research fields is conducted for around 30 minutes. The exact time of meeting and examinations will be notified to each applicant.
    - August 18 (Tue) 10:00-18:00
    - August 19 (Wed) 10:00-18:00
- Doctoral Program and Doctoral Program (Special Admission for Working Graduates)
Primary Examinations (Written Examinations): conducted on Zoom (except those exempted from written examinations). Trial, lunch break, and break/spare time are included.

- August 17 (Mon) 10:00-17:00 Specialized Subjects

Primary Examinations (Oral Examinations): conducted on Zoom (except those exempted from oral examinations). An interview about specialized subjects and prospective research fields is conducted for around 30 minutes. The exact time of meeting and examinations will be notified to each applicant.

- August 18 (Tue) 10:00-18:00

Secondary Examinations: conducted on Zoom at the following date/time for those who have completed Master’s Program at the time of the application and for those who wish for September 2020 entry. The exact time of meeting and examinations will be notified to each applicant.

- August 19 (Wed) 10:00-18:00
