Your Selection of Supervisor			
Availability of Valid Residence Card	<input type="checkbox"/> Available (Status: _____ Date of Expiration: _____)		
Check <input type="checkbox"/> if you are taking examinations as a special selection for professionals: <input type="checkbox"/> Check <input type="checkbox"/> if you wish to enter in October 2022: <input type="checkbox"/>			
Describe your research results (try lucid explanations, e.g., using figures), your major publications, and your research plan for the Doctoral Program, in four A4 pages using the following format. Submit it with the Application Form. Use Japanese or English (for Summer Examinations); use English (for Winter Examinations).			
Name: Xxx Yyy			
1. Research results			
1.1 Fast algorithm of linear solution [1] We have developed a fast algorithm for solution of large scale systems of linear equations...			
1.2 Summary of study or research achievements during your period of employment (Include this section if you are taking examinations as a working graduate)			
2. Selected Publication list			
[1] Xxx Yyy, "Fast algorithm of linear solution," Master's thesis, Graduate School of Information Science and Technology, the University of Tokyo (2011).			
[2] Xxx Yyy and Aaa Bbb, "Fast algorithm of linear solution," proceedings of 2011 annual meeting of research society, pp. 101-102, 2011.			
3. Research Plan In Doctoral Program I am planning to improve the above algorithm to solve larger problem...
