Notice to Successful Applicants

Delivery of 'Letter of Acceptance for Admission' and Information on Enrollment Procedures

Considering the current social situation and postal conditions of the world, we have decided to deliver the 'Letter of Acceptance for Admission' and information on the enrollment procedures by email, not by post. [*A copy of Letter of Acceptance for Admission will be sent as a PDF file.*] Please note that the timing for the delivery varies depending on the nationality of each successful applicant as follows:

【To Successful Applicants with Japanese nationality】
Necessary documents will be delivered to each one of the successful applicants by email by 2/24.

【To Successful Applicants with non-Japanese nationality】
Necessary documents will be delivered to each one of the successful applicants by email after completing the screening for "The University of Tokyo Security Export Control". [*in early March]

Submission of Enrollment Documents

Enrollment documents must be submitted only by post [such as registered express mail, JP Letter Pack, or other methods which can be tracked] no later than March 19. Those who currently live outside of Japan should only complete their admission fee payment by the due date. They do not need to mail their enrollment documents by post.
For more details, please refer to the email that will be sent to you later.

Notification on Supervisor/Assigned Lab

The method to inform you about your supervisor or assigned lab varies depending on your department as follows:

【Department of Computer Science】
・Announcement of Laboratory Assignment (only for Master's course) is posted on the webpage below:
  *webpage for CS department*

【Department of Information Physics and Computing】
・Every successful applicant will be assigned to the lab he/she had prefered at the time of the application.

【Department of Information and Communication Engineering】
・'Notification of Academic Advisor' will be sent individually to successful applicants by e-mail from the ICE department office on February 22.

【Department of Mechano-Informatics】
・See the announcement on the right:  *Announcement of Laboratory Assignment*

【Department of Creative Informatics】
・See the announcement on the right:  *Announcement on Supervisor*
